Purpose

The purpose of this activity is for nurses to explore cultural tools to assist them in dealing with difficult people in a way that reflects Christian faith and values.

Objectives

1. Describe ways that privilege conferred by race, ethnicity, gender, age, and social status impacts communication dynamics.
2. Discuss dynamics of cultural identity regarding race, ethnicity, gender, age, social status that impact ways people relate to each other.
3. Discuss ways Christian values are tied to the dynamics of cultural competence regarding race, ethnicity, gender, age, social status.

Target Audience

This program is designed for professional nurses. Nursing students would benefit and are welcome to attend.

Location

MetroHealth Medical Center

Rammelkamp Atrium, Room R-170
