

Spring 2014

## Resources are ready for National Nurses Week May 6-12

Whether planning an event or inviting your church to join you in prayer for nurses, NCF has [resources online](#) with ideas for planning and promoting an event, a downloadable Bible study that goes along with the national theme, a bulletin insert for your church to use and a prayer guide.

## JCN Q & A

Have you used the *Journal of Christian Nursing* for topical discussions in your group?

Now it is easier to find the Going Deeper Questions that correspond with many of the articles each quarter. They are located in the *Resources* section of the hard copy and online versions of the journal, and you can print off Going Deeper for every *JCN* under [JCNOnline Extra](#).

You can also find articles on topics of interest by using the [online search feature](#) or look under the [Collections](#) tab for articles on Everyday Ethics, Spirituality and Spiritual Care, Christian Nursing 101 and a variety of other applicable topics.

## Wonder how you and the nurses in your group can have free access to all of these articles and get a discount on CE?

There are two ways to receive every issue of the award-winning *Journal of Christian Nursing*, a peer-reviewed publication of Nurses Christian Fellowship. Compare the differences between becoming an NCF member vs. a *JCN* subscriber. [Become a member of NCF today!](#)
