

Dr. Smith
Pretend State University, East Campus
876 College Drive
Atlanta, GA 54321

Dear **Dr. Smith**:

Greetings from Nurses Christian Fellowship! We are a ministry of InterVarsity Christian Fellowship (IVCF) committed to helping nursing students flourish during their time in school. My name is **Sally Johnson** and I am IVCF staff for the **Southeast** area, of which **Pretend State University** is included. I live in the **Atlanta** area and travel around to visit and support various local campuses.

I stopped by today to introduce myself and the ministry with the hope that you would consider the addition of Nurses Christian Fellowship (NCF) as a new student organization in your school of nursing. When students join NCF, they become part of a professional nursing organization that promotes Christian influence and community in nursing. You can visit our website at ncf-jcn.org to learn more about NCF and explore all the benefits of membership. In case we are unable to meet in person at this visit, I hope to meet you soon. Jen Wojtysiak, our Student Ministries Director, is also available to speak with you by phone at 414-745-9468 or via email at jen.wojtysiak@intervarsity.org

Please enjoy the complimentary copies of our award-winning publication, the *Journal of Christian Nursing*.

Thank you for taking time to read this letter and review our materials. I will follow up with you in a couple of weeks to discuss further details. I pray that you have an amazing 2020!

Sincerely,

Sally Johnson
